

## Coast Defense Study Group

### THE CDSG FUND

The CDSG Fund supports the efforts of the Coast Defense Study Group by raising funds for preservation and interpretation of American seacoast defenses.

The CDSG Fund is seeking donations for projects supporting the organization's goals:

- Educational study of coast defenses
- Technical research and documentation of coast defenses
- Preservation of coast defense sites, equipment and records for current and future generations
- Accurate coast defense site interpretations
- Assistance to groups interested in preservation and interpretation of coast defense sites

**The CDSG Fund works on preservation projects, for which donations from you are essential.**

A sample project to be undertaken by the CDSG Fund was the preservation of a rare 90-mm Gun Mount M3. Through donations to the CDSG Fund this 90-mm coast artillery mount was transferred from the National Park Service's storage yard at Fort Moultrie, SC to the Fort MacArthur Military Museum in Los Angeles, CA. This cross-country move allowed this rare 90-mm mount to be restored and viewed by the public. The CDSG Fund is working on similar projects, but donations from you are essential.

Donations are tax-deductible for federal tax purposes as the CDSG is a 501(c)(3) organization, and 100 percent of your gift will go to project grants. Major contributions are acknowledged annually. Make checks or money orders payable in US funds to: Coast Defense Study Group Fund or the CDSG Fund. Donations can also be made by credit card through the CDSG website at [www.cdsg.org](http://www.cdsg.org)

**The CDSG Fund seeks proposals for the monetary support of preservation and interpretation projects at former coast defense sites and museums.**

A one-page proposal briefly describing the site, the organization doing the work, and the proposed work or outcome should be sent to the address below. Successful proposals are usually distinct projects rather than general requests for donations. Ideally, we desire to fund several \$500 to \$1,500 grants per year.

Upon conclusion of a project a short report suitable for publication in the CDSG Newsletter is requested. The trustees shall review such requests and pass their recommendation onto the CDSG Board of Directors for approval. The trustees for the CDSG Fund are Terry McGovern, Mark Berhow and Quentin Schillare.
