The CDSG Fund

The CDSG Fund supports the efforts of the Coast Defense Study Group by raising funds for preservation and interpretation of American seacoast defenses. The CDSG Fund is seeking donations for projects supporting its goals.

The goals of the CDSG and CDSG Fund are the following:
* Educational study of coast defenses
* Technical research and documentation of coast defenses
* Preservation of coast defense sites, equipment and records for current and future generations
* Accurate coast defense site interpretations
* Assistance to groups interested in preservation and interpretation of coast defense sites.

Donations are tax-deductible for federal tax purposes as the CDSG is a 501(c)(3) organization, and 100% of your gift will go to project grants. Major contributions are acknowledged annually. Make checks or money orders payable in US funds to: Coast Defense Study Group Fund or the CDSG Fund. Donations can also be made by credit card through the CDSG website at www.cdsg.org.

The Fund is always seeking proposals for the monetary support of preservation and interpretation projects at former coast defense sites and museums. A one-page proposal briefly describing the site, the organization doing the work, and the proposed work or outcome should be sent to the address below. Successful proposals are usually distinct projects rather than general requests for donations. Ideally we desire to fund a several $500 to $1,500 grants per year. Upon conclusion of a project a short report suitable for publication in the CDSG Newsletter is requested. The trustees shall review such requests and pass their recommendation onto the CDSG Board of Directors for approval. The trustees for the CDSG Fund are Terry McGovern and Mark Berhow.

Send donations to (and checks made out to):

Please prepare a written request of your need and how your request relates to the goals of the CDSG.
The Coast Defense Study Group, Inc. (CDSG) is a tax-exempt corporation dedicated to study of seacoast fortifications. CDSG’s purpose is to promote and encourage the study of coastal defenses, primarily but not exclusively those of the United States of America. The study of coast defenses and fortifications includes their history, architecture, technology, strategic and tactical employment and evolution. The primary goals of the CDSG are the following:

* Educational study of coast defenses
* Technical research and documentation of coast defenses
* Preservation of coast defense sites, equipment and records for current and future generations
* Accurate coast defense site interpretations
* Assistance to groups interested in preservation and interpretation of coast defense sites
* Charitable activities which promote the goals of the CDSG

The CDSG was officially founded in 1985 at Fort Monroe, Virginia and incorporated in 1993. The first “St. Babs” conference was held in 1978 to visit the harbor defenses of New York. Subsequent annual CDSG conferences have been held at all the major harbor defenses of the continental United States. Several special overseas tours have also been organized.

Membership is open to any person or organization interested in the study of coast defenses and fortifications. Membership in the CDSG will allow you to attend the annual conference, special tours and receive the CDSG’s quarterly journal.

For more information on the CDSG, please contact the Finance and Membership Chairman at the address listed below. To join the CDSG please complete and return the adjacent application with your membership fee. The CDSG Documents USB drive covers a range of historical material related to seacoast defenses -- most are from the National Archives. Included are the annual reports of the chief of coast artillery and chief of engineers; several board proceedings and reports; army directories; text books; tables of organization and equipment; WWII command histories; drill, field, training manuals and regulations; ordnance department documents; ordnance tables and compilations; and the ordnance gun and carriage cards.

Documents related to specific harbor defenses. These PDF documents form the basis of the conference and special tour handouts that have been held at these locations. These collections are available as PDF files on DVD. They include RCBS/RCWs; maps; annexes to defense projects; CD engineer notebooks; quartermaster building records; and aerial photos taken by the signal corps 1920-40. Please consult www.cdsg.org for more details.
